

Logging in and Logging out

iQlickers (for Students)

Step 1 :

Scan **1** QR code or input **2** URL of iQlickers to visit login interface when a session is displayed on the screen.

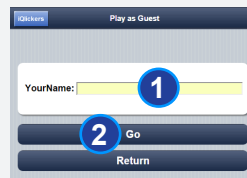

Step 2 :

Click **1** *Play As Guest* button in the login interface.

Step 3 :

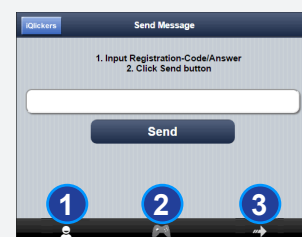

Input your student ID in **1** *YourName* and click **2** *Go* button to go to answering question interface.

Step 4 :

You are now able to answer the questions in a session.
To logout iQlickers, click **3** Logout button.

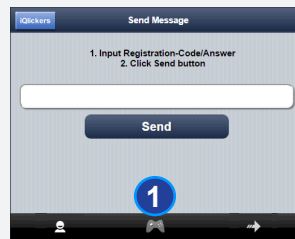

1. Personal Information: View profile.
2. Send Message: Make a reply to a question.
2. Logout: Log out the system.

Answering different types of Questions via web-based Method

Step 1 :

Click **1** *Sending Message* button to enter answering question interface.

Step 2 :

Input your answer of the currently displayed question. The answer formats are different based on the question types:

1. For Multiple Choice - Single Selection:
[Session code]+*+ [Serial number of your choice]
e.g. : rgh 1, rgh*3*
2. For Short Text:
[Session code]+*+[Your answer]
e.g. : rgh Some action should be taken.*
3. For Multiple Choice - Multiple Selection
[Session code]+*+[Choice 1, Choice 2, Choice 3,...], choices are separated by commas.
e.g. : rgh 1,2,3, rgh* 1,3*
4. For True&False question:
[Session code]+*+[Your answer], choice is not case sensitive
e.g. : rgh T, rgh* F, rgh* t, rgh* f*
5. For Likert Scale question:
[Session code]+*+[Extent you think]
e.g. : rgh 1, rgh* 5*

! *If you ignore the session code, your reply cannot be processed by iQlickers successfully.*

Step 3 :

Click **1** *Send* button to send the message and your student ID should be appeared on the instructor's screen.
